Why Partner with Dealer.com?

Better Data, Better Results

With the industry's top-driving websites for the past 22 years and a full suite of marketing solutions, Dealer.com is the choice for the most successful dealerships in the country. Powered by unmatched Cox Automotive consumer data, Dealer.com creates engaging digital marketing experiences to help you sell more cars, more profitably.

"Dealer.com's team has been hugely valuable to our family business and has helped us to differentiate our brand online, taking a smaller dealership store far beyond what we thought was possible for our digital efforts. The Dealer.com team members on our account exhibit integrity and just as important, their service aligns with the core values of our dealership. Dealer.com far surpasses anyone we have worked with on our website before."

The Cox Automotive Advantage

Cox Automotive offers an industry-leading suite of solutions to help your dealership connect workflows across sales, service, marketing, and operations to create a seamless consumer experience. By leveraging data from the world's most trusted automotive platforms, such as Kelley Blue Book and Autotrader, you'll gain valuable insights that produce real results for your dealership.

1. Statistics based on 9,059 Dealers that have utilized Modern Specials, comparing shoppers that only saw Personalized Specials impressions vs shoppers that only saw Non-Personalized Specials impressions from 10/01/2024 – 03/31/2025
2. Based on a study conducted by Dealer.com that compared the organic traffic performance of 2,765 franchise dealerships using Core SEO to 855 franchise dealerships using Premium SEO. The study included dealerships that had been using the respective SEO products for at least 3 months before the comparison period, which spanned from June to August 2025.

3. Average performance of 412 dealers using paid search and retargeting channels vs 82 using paid search, retargeting, Facebook, and Premium SEO. Feb–July 2025
4. Source: VinSolutions data December 1, 2024 to July 1, 2025
5. Source: Dealer.com analyzed 4,576 dealerships in Q2 2025, comparing those fully using the digital suite to website-only users. The study tracked consistent adopters over the quarter, evaluating inventory turnover, sale probability, and lead generation using internal performance and lead data.
